## Hiking Options for the Trout Adventure Trail

A proud partnership of Trout Unlimited, the US Forest Service, and Boy Scouts of America

### BLUE ROUTE

The BLUE route is an easy walk uphill along Long Creek, a trout stream, from Three Forks on FS Road 58 to Long Creek Falls and return, a total of about 2.2 miles. The slope is fairly gentle, and the trail is open and easy. The entire route is part of the Appalachian and Benton-MacKaye trails. Long Creek Falls is a beautiful small-stream waterfall with an open area at its base, and is an excellent place for a rest or to discuss and explore the surroundings.
