

Trail Elevation Profile

TroutAdventureTrail.org
A proud partnership of Trout Unlimited, the US Forest Service, and Boy Scouts of America

Members of the Blue Ridge Mountain TU Chapter 692 hiked every inch of the Trout Adventure Trail and then some. From this hike, the elevation profile of the Trout Adventure Trail was created, beginning at Three Forks, ascending up the Appalachian Trail to the peak of Springer Mountain and a mostly downhill return on the Benton-MacKaye Trail.
